This very urban location is a hot spot with a high level of foot traffic as well as retail frontage to busy Colfax Avenue and a very short walk to the Capitol building and Downtown. The unique floor plan allows for an active high volume bar area and restaurant, while accommodating private areas for meetings, banquets or parties. The Hotel/Restaurant class liquor license with standard Cabaret license is transferrable and the long term lease options are assignable. Furniture, fixtures and equipment are included in the price and will accommodate most concepts. Don't miss a great opportunity to acquire a great space in a great location.
